

**Dear Mr. Gregg:**

**Thank you for your letter to me concerning your "Continuing Series on Peace Research." Your project sounds most interesting and I appreciate your contacting me in regard to it.**

**I find that my very heavy schedule prevents me from contributing to this undertaking and I feel that I cannot at this time make any outside demands on my frequently over-worked staff.**

**I wish your project well.**

**Best regards,**

(S)

**Henry A. Kissinger**
